

# Paris

STYLISH : ELEGANT : CLASSY

The Paris cue series feature the most innovative billiard cue designs utilising a selection of the finest timbers, components, and unmatched hand section aesthetics.

The stylish, though elegant range of 2 piece cues are hand crafted utilising a series of traditional techniques; resulting in a cue that's quality is as impressive as its sophisticated design and playability.

## High Quality Timber

Paris cues are made with a selection of fine quality timbers, specifically selected for high quality billiard cue production.

## Sophistication...

Paris cues are equipped with stylish PU Leather hand section inlays, and a 16mm laser engraved stainless steel bumper ring; characterising the true quality and sophistication of the Paris cue range.
